self and friends. I could retain no food upon my stomach, and lived wholly by injections. I was a living mass of pain. My pulse was uncontrollable. In my agony I frequently tell upon the floor, convulsively clutched the carpet, and prayed for death. Morphine had little or no effect in deadening the pain. For six days and nights I had the death premonitory biccoughs constantly. My urine was filled with tube casts and albumen. I was struggling with Bright's disease of the kidneys in its last stages. While suffering thus I received a call ! from my pastor, the Rev. Dr. Foote,

rector of St. Paul's Church, of this city. I felt that it was our last interview, but much but had never used. Dr. Foote Court. detailed to me the many remarkable cures which had come under his observation by means of this remedy, and urged me to try it. As a practicing To see at least one new thing under Heaven: I cherished the prejudice both matural and common with all regular practitioners, and derided the idea of any medicine outside the regular channels He worms to cheat his way to place or power being the least beneficial. So solicitous, however, was Dr. Foote that I finally promised I would waive my on the first day of June and took it according to directions. At first it sickened me, but this I thought was a good sign for one in my debilitated condi-

tion. I continued to take it; the sick- Effor Recold: ening sensation departed and I was After the few days of nice weather able to retain food upon my stomach. We are having more rain, wind and In a few days I noticed a decided mud, is of so striking a nature, and emanates wife and friends.
